Bekky, USA

**Once again, many thanks for making such a trip possible. The organisation, the effectiveness, the planning and on top the driver were just perfect. We felt so comfortable although being so far from home. Everything worked out in time and perfectly; the driver never had to look for either a guide, or any other sight seeing place. We felt very safe and were treated like royals or VIPs. The car was always clean, washed and the fresh water that was placed every day at our seats was very much appreciated from our side. We will definitely recommend your travel agency as well as our driver to our friends who are also planning trips to India.**

Thanks again Chris & Ladina, USA

**Once more, many thanks for the perfect service at the airport, both when arriving and leaving the country and kind regards from very happy client.**

T. Shekaran, Warangal
